You're the chef, look around and decide what you would plate up.

Whether it's simply to attach candy wrappers to the plate or to fill it collage style with food images from magazines, make a pattern and piece fabric together for a patchwork or applique, or paint the entire line drawing, it's up to you!

Let your inner chef run wild, then post a photo of your finished Special Delivery artwork to Instagram and Facebook with the tag [#stircrazyvam](#) and [#specialdeliveryart](#).
