- The display may include a single piece or a combination of pieces depending on space availability.
- Visions anticipates exhibiting guild work during the months of August, September, and October (exact dates TBD on an annual basis). Depending on space availability, guild displays could go up at other times of the year.

Submission Process

- Proposals will be accepted from April 1 to June 30.
- The museum will provide sample templates for layout and installation to help guide proposals.
- Only complete proposals will be reviewed.
- Incomplete proposals will be returned. Guilds will have the opportunity to resubmit.
