

SUGGESTED MATERIALS

- 2 pieces of 14" x 18" fabric, one for the outside and one for the lining
- 1 piece of 14" x 18" batting
- 1 piece of ribbon 28" long
- 1 piece of 14" double fold bias tape
- Regular thread
- Sewing machine

INSTRUCTIONS

- Put fabrics right sides together. Add the piece of batting to make a sandwich.
- Stitch a $\frac{1}{4}$ " seam on 3 sides, leaving one 14" side unstitched.
- Clip the 2 stitched corners and turn the sandwich right side out and press.
- Sew the bias tape onto the open end.
- With lining facing up, fold the side with the bias tape up 6 inches to make a pocket.
- Topstitch all around your piece $\frac{1}{8}$ " to $\frac{1}{4}$ " wide seam.
- Check what size pockets you need with your silverware- $2\frac{1}{2}$ " wide will work, leaving a wide pocket for your napkins. Mark a straight line and stitch 3 lines.
- Add a ribbon tie by folding ribbon in half and sewing it on the outside stitch line at the bias tape line.
- You can make the roll to fit a set of cutlery or one per person.
- Roll it up and tie it. You now have your cutlery roll!
