Gather your animal image and other materials to make a fun and memorable journal cover.

Whether it's a picture of your fur baby, someone else's, or just a favorite animal, showcase it on the cover of a journal. Use a journal or blank book you already have or make the simple journal Ann demonstrates in the video linked below. Ann also shows three finished Pet Project covers and explains what she used and how she made them

### SUGGESTED MATERIALS

- Use materials, objects, and items you already have on hand.
- A photograph or printout of pet or other animal/s
- Fabrics, papers, cardboard, fibers, paints, crayons, markers, paints, stamps, stencils, etc.
- Glue, fusible, scratch awl (nail, or something else to poke small holes), scissors (straight or decorative), paper cutter, large needle, thread/floss, wire, pliers, plants/flowers (real and/or artificial), photo corners.

### INSTRUCTIONS

- Watch Ann's video for instructions and ideas
